## FAQ

### **Q1: What are the main products of your company?**

A: Fasteners, bolts, nuts, screws, CNC machining parts,etc

### **Q2: Do you provide samples ? is it free or extra ?**

A: Yes, we could offer the samples for free based on the freight is collected.

### **Q3: Could you pls send the catalogue and price list to me?**

A: As we have more than thousands of products, it is really hard for us to send all product and price list to you. Pls let us know the specific products you required, we will offer the price list for your reference.

### **Q4: What's your advantage?**

A: High quality is first, plus we can offer competitive price, quick delivery, OEM service and after-sales service.

### **Q5: How to guarantee the quality?**

A: We have been in fastener field over twelve years with rich experience. There are five inspections in the production process, including IQC(incoming quality control), IPQC(input process quality control), FQC(final quality control) and OQC(outgoing quality control). Overall control measures help to ensure a high level of quality.
