

Machining Nut Bolt

The following is about Yitong® Machining Nut Bolt related, I hope to help you better understand Machining Nut Bolt.

Product Description

These are related to the Yitong® Machining Nut Bolt news, in which you can learn about the updated information in Machining Nut Bolt, to help you better understand and expand Machining Nut Bolt market. Because the market for Machining Nut Bolt is evolving and changing, so we recommend that you collect our website, and we will show you the latest news on a regular basis. Due to our focused approach, timely delivery and ethical business policy, we have been able to gain tremendous success in this domain.

Online Machining Nut Bolt:

Each member from our significant effectiveness gross sales team values customers' wants and enterprise communication for 15 Years Factory China Yitong® Machining Nut Bolt, As an experienced group we also accept custom-made orders. The main intention of our firm is to build up a satisfying memory for all consumers, and set up a long-term win-win small business connection. 15 Years Factory China Machining Nut Bolt, Machining Parts, Our company promises: reasonable prices, short production time and satisfactory after-sales service, we also welcome you to visit our factory at any time you want. Wish we now have a pleasant and long terms business together!!!

Place of Origin	Ningbo, China(mainland)
Material	1.Stainless Steel: SUS201, SUS304, SUS316, SUS410 2. Carbon Steel: C1006, C1008, C1010, C1018, C1022, C10B21, C10B33, C1035, C1045, C435#, 40CrMo, 42CrMo 3.3. Brass: C36000 (C26800), C37700 (HPb59), C38500(HPb58),

	C27200CuZn37), C28000(CuZn40) 4.Alloy steel: SCM435,C10B21,C10B33 5.Iron:1213,12L14,1215,etc 6.Bronze: C51000, C52100, C54400, etc 7.Aluminum: Al6061, Al6063 etc 8.Titanium and Titanium Alloy: TAD,TA1-TA8,TB2,TC1-TC10
Color	Silvery,black,color zinc,etc
Length	According to your needs
Size	according to the client's demand
Standard	IATF 16949:2016
Grade	SUS304, SUS316,SUS201 , A2-70, A2-80, A4-80, 4.8 6.8 8.8 10.9 12.9
Certification	IATF 16949:2016
Packing	Aa you required
Used	building industry machinery
Payment	TT 30% deposit and 70% cash before shipment or on the basis of L/C
Delivery	25-40 days
Inspection process	Incoming quality control →Process Quality Control →Final Quality Control →Pre-shipment Quality Control
equipment	Hardness test, torque test,CNC machines, Machining centers, drilling machines,etc
Service	If you have any problems or services about our products pls let us know without any hesitation
Contact	Alin Cao 86- 15058055698
product name	Machining Nut Bolt

**Welcome to
Ningbo Zhenhai
Yitong Machinery
Factory**

**About
US**

Thank you for your interest in Yitong Machinery, which is a IATF 16949 certified manufacturer in machining and milling. Yitong machinery was founded in 2007 in Ningbo, China, starting from fastener production, later began making high precision fuel injection connector for Automotive industry, mainly for BMW manufacturer and other famous auto companies. Now we have full experience in producing various precise CNC machining, CNC milling components, especially in Automotive, wind power, electrical industries, etc, as well as capabilities in stamping, forging production for clients.
